

Turn Emails into NetSuite Sales Orders Instantly with AI & OCR

AI-Powered OCR That Converts Emailed POs into NetSuite Sales Orders — Instantly & Accurately

SuiteWorks Tech's Email to Order AI Automation SuiteApp transforms incoming customer emails and PDF purchase orders into structured Sales Orders directly inside NetSuite.

Using advanced AI and OCR technology, the solution extracts order details, intelligently matches customers and items, and automatically creates Sales Orders — eliminating manual data entry.

Built natively for NetSuite, it enables fast, accurate, and scalable touchless order processing for modern distribution and manufacturing businesses.

Key Features

Email-Based Order Capture

Automatically receive and process purchase orders sent via email using NetSuite's email capture functionality.

AI-Powered OCR Data Extraction

AI-Powered OCR Data Extraction
